“Session on Angel Investment/VC Funding Opportunity for Early-Stage Entrepreneurs”

MIET Institution Innovation Council organised an orientation session for the students of the Institute on the theme “Session on Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs”. As part of IIC activities MIET IIC conducted a session "Session on Session on Angel Investment/VC Funding Opportunity for Early-Stage Entrepreneurs". The agenda was make rhe students aware about the on Angel Investment/VC Funding Opportunity for Early-Stage Entrepreneurs This session was attended by the students from EE on 27th of August 2022, determined to motivate and encourage young minds who are aiming to become successful entrepreneurs The deeply engaging session was steered by following Innovation Ambassadors:

- Mr. Parveen Abrol, IIC Convener and Innovation Ambassador, gave a very informative insight to all attendees to develop a right approach for generating funds. He started the session listing various funding options available. Then, he explained various important terms related to the fund generation. Finally, he talked about Angel Investment and Venture Capital funds, how to apply, eligibility criteria, what not to do while filling applications and various legal concepts associated with the two terms. Overall, session was short but covered important concepts necessary to begin a startup.
- He emphasized upon the need to develop an entrepreneurial approach growth and success of any business and questions which made the session highly interactive. His session served as a motivation and encouragement for young minds who are aiming to become successful entrepreneurs.
- All the topics were explained with suitable examples to make the concepts easy to understand and implement.
- The speaker resolved all the questions asked during the session. The Session Agenda was shared with students a day in advance to enable students to derive the expected benefits. The session was coordinated by

Ms. Gurpreet Kour Sodhi, Assistant Professor, EE Department. The Innovation Ambassadors focused on the theme area in which they had received training from MIC’s Innovation Ambassador Training Program. The speaker conducted icebreaker activities like use of audio-visuals during the session for better understanding and engagement. The session was highly informative and appreciated by all.
