“Session on Developing Elevator Pitch for your start-up Idea”

MIET Institution Innovation Council organised an orientation session for the students of the Institute on the theme “Session on Developing Elevator Pitch for your start-up Idea” As part of IIC activities MIET IIC conducted a session "Session on Developing Elevator Pitch for your start-up Idea". The agenda was to help entrepreneurs make the best of brief encounters with potential investors at parties, business events, or elevators. This session was attended by the students from EE on 29th of August 2022, determined to motivate and encourage young minds for business idea pitching

The deeply engaging session was steered by following Innovation Ambassadors:

- Ms. Gurpreet Kour Sodhi, Innovation Ambassador, gave the students an idea about how to pitch in business to attract the right investors and audience.
- During the session, the students were made aware about pitching and its importance. Further the steps to be followed while developing the best pitch were discussed, some examples were discussed as well.
- Dr Hanuman Prasad also enlightened the students about the importance of pitching with some real time examples.
- Students from EE department attended the interactive session, outlining the importance of developing a good elevator pitch for a new venture. Overall, the session was short but covered important concepts necessary to develop an elevator pitch. The session served as a motivation and encouragement for young minds who are aiming to become successful entrepreneurs.
- All the topics were explained with suitable examples to make the concepts easy to understand and implement.
- The speaker resolved all the questions asked during the session. The Session Agenda was shared with students a day in advance to enable students to derive the expected benefits.

The session was concluded by Dr. Hanuman Prasad, HoD, EE. The Innovation Ambassadors focussed on the theme area in which they had received training from MIC’s Innovation Ambassador Training Program. The speaker conducted icebreaker activities like use of audiovisuals during the session for better understanding and engagement. The session was highly informative and appreciated by all.
