**“Workshop on Intellectual Property Rights and IP”**

MIET Institution Innovation Council organized an orientation session for the students of the Institute on the theme “How to plan for Start-up and legal & Ethical Steps”.

The agenda was to make the students aware about the students about the need to plan a start-up emphasizing upon the Legal and Ethical Steps involved. This session was attended by the students from EE on 26th of August 2022, determined to Encourage, Inspire, and Nurture Young students towards Innovation and Entrepreneurship.

The deeply engaging session was steered by following Innovation Ambassadors: • Mr. Parveen Abrol, IIC Convener and Innovation Ambassador, gave a very informative insight to all attendees to develop a right approach for setting up a business. He emphasized upon the need to develop an entrepreneurial approach growth and success of any business and questions which made the session highly interactive. His session served as a motivation and encouragement for young minds who are aiming to become successful entrepreneurs. He also discussed the various legal and ethical steps involved while planning a startup.

In this session, students were made aware of various stages of the entrepreneurship development process and some terminologies related to it. All the topics were explained with suitable examples to make the concepts easy to understand and implement. • The speaker resolved all the questions asked during the session. The Session Agenda was shared with students a day in advance to enable students to derive the expected benefits. The session was coordinated by Ms. Gurpreet Kour Sodhi, Assistant Professor, EE Department. The Innovation Ambassadors focused on the theme area in which they had received training from MIC’s Innovation Ambassador Training Program. The speaker conducted icebreaker activities like the use of audio-visuals during the session for better understanding and engagement. The session was highly informative and appreciated by all.
