Speaker: **Dr. Bharat Suryavanshi**, Assistant Controller of Patents and Design
Central Patent Office, Ministry of Commerce and Industry.

Dr. Suryavanshi started with:

1. The Introduction about Intellectual Property: Meaning of intellectual property, patents, trademarks, copyrights, designs etc.
2. Background of Intellectual property: - IP basically originates from intangible things which cannot be measured in terms of money.
3. Various types of rights under IPR: -Exclusive rights (patents on our property name)
 - Territorial rights (including rights required outside the India)
 - Licensable rights (for specific work or activity you have done)
4. Importance of Design:
 - Unique selling point (for uniqueness and attractiveness)
 - Fair returns
 - Adds value to the product
 - Protection against copy and infringement
 - Build a business asset.
5. Design registering is applicable for each and every kind of industry: big and small, manufacturing and service, pharmaceutical and technology etc.
6. Some specifications: -
 - TM - refers to trademark applied
 - ® - trade mark registered
7. Duration: -
 - For registration of trademark: 10 years and can also be renewed.
 - Copy right protection: life time of author + 60 years more
8. How to apply for a patent:
 - carry out research or project
 - identify some problems
 - Solve that problem and you can apply for patent.
 - Sign NDA (non-disclosure agreement)

The workshop was paralelly broadcasted in Convention Centre, MBA Seminar room and Examination Hall D Block and it was attended by students of MBA, ECE, EEE and CSE. The workshop was hosted by Mr. Parveen Abrol and Vote of thanks was presented by Dr. Ankita Nanda HOD MBA.
